

## PRE-VOCATIONAL EDUCATION Syllabus Class - X

1. In pursuance of the provisions in the National Policy of Education 1986 and recommendations of various committees, the CBSE has made provision of Pre-Vocational Education in its scheme of studies with effect from the academic session 1995-96 of class IX. The objectives of Pre-Vocational Education are:
  - To impart training in simple marketable skills to students in classes IX and X.
  - To develop vocational interests and aptitudes in enhancing productivity and to allow for self exploration of vocational preferences.
  - To facilitate the students in making choice of vocational courses at the higher secondary level.
  - To prepare students for participation in work-experience as a desired dimension of academic education, and;
  - To inculcate healthy values related to work culture.
  
2. The main features of the scheme of Pre-Vocational Education are as follows:
  - i. Pre-Vocational Education may be offered in lieu of Work Education.
  - ii. Minimum six periods per week will be allotted for Pre-Vocational Education.
  - iii. Pre-Vocational Education will be introduced only in the schools where vocational courses at +2 level are being offered and the regular infrastructure facilities are available for the chosen Pre-Vocational Course.
  - iv. After completion of Pre-Vocational at lower secondary stage the pass outs should attain marketable skills in the course concerned.
  - v. Pre-Vocational Education is being offered only in selected schools on an experimental basis. Hence prior approval from the Board is essential before starting a Pre-Vocational Course.
  - vi. The scheme of assessment is similar to that of Work Education. The evaluation in classes IX and X will be done by the schools. However the grades awarded by the schools in class X will be reflected in the Board's Certificate with the title of the course concerned.
  
3. The NCT of Delhi and Chandigarh Administration have expressed their willingness to introduce the following Pre-Vocational Trades in some of their selected schools from the academic session 1995-96.

Circular No.: Acad-14/2017

Date: 21<sup>st</sup> March 2017

**NOTIFICATION  
(NSQF Scheme)**

To,  
The Heads of CBSE Affiliated Schools

Subject: Uniform System of Assessment, Examination and Report Card for classes VIII from Academic Year 2017-18 onwards.

1. As you are aware, the CBSE has issued Circular No. Acad-05/2017 dated 31.01.2017 on the restoration of Board Examination for class X and revised assessment structure and examination for class X from Academic Year 2017-18 onwards. This new scheme will bring the uniformity in the system of assessment and examination for classes IX and X in all the CBSE affiliated schools. To increase the confidence in the students to start preparing for class X Board examination when they join the upper primary stage in class VI, the CBSE has decided to implement the uniform system of assessment, examination pattern and issue of report cards for classes VI to VIII also on the similar pattern. While keeping in view the provisions of Right to Education Act, 2009, the scheme for classes VI-VIII has been designed on Term Assessment basis with gradual increase in the learning assessment as the students move forward. This would prepare the students to cover the whole syllabus of the academic year and face the challenge of class X Board examination, and would thus, ensure the 'quality of education'.
2. The CBSE affiliated schools currently follow various systems of assessment and examination for classes VI to IX and issue different types of report cards to their students. Due to disparities in the system, the students of classes VI to IX face several problems whenever they migrate to another school. With the family of CBSE affiliated schools growing from 309 schools in 1962 to 18,688 at present, it has become imperative to have a uniform system of assessment, examination pattern and report cards for classes VI to IX for ease of students and other stakeholders. This will not only ensure the easy migration of students within the family of CBSE affiliated schools but also ease their difficulties while seeking admission in new schools.
3. With restoration of class X Board examination, the CBSE will issue the report card for class X based on the Board examination with effect from Academic Year 2017-18. As the assessment structure and examination pattern for class IX will be similar to that of class X, the report card for class IX issued by the schools should also be similar to that of class X.
4. As the CBSE affiliated schools are required to follow the NCERT syllabus in the upper primary stage, uniformity in the assessment structure, examination and

issue of report cards across all the affiliated schools is felt necessary from class VI to VIII. The detail components of the scheme are mentioned below for easy understanding and implementation.

- 4.1 Scholastic Area: The assessment structure and examination for classes VI to VIII have been prepared in view of the provisions of RTE-Act 2009 and comprises of two terms i.e. Term-1 and 2 as explained below:

- 4.2 Subject Enrichment Activities: These are subject-specific activities aimed at enhancing the understanding and skills of the students. These activities are to be carried out throughout the term, however, they should be evaluated at the term-end.

- 4.3 Languages: Aimed at equipping the learners to develop effective listening and speaking skills. The language teachers may devise their own methods and parameters for assessment of the languages.
