After years of being told that the Soviet system was better than Western Capitalism, the reality of its backwardness came as a political and psychological shock. (vi) Soviet Union became stagnant in an administrative and political sense as well. (vii) The Communist Party was not accountable to the people. (viii) Ordinary people were alienated by slow and stifling administration, rampant corruption.</p>	

	<p>(ix) The inability of the system to correct mistakes it had made and the unwillingness to allow more openness in government and the centralisation of authority.</p> <p style="text-align: right;">(Any six points)</p> <p style="text-align: center;">OR</p> <p>What is meant by New International Economic Order? Mention any four reforms of the global trading system proposed by UNCTAD in 1972.</p> <p>Ans.</p> <ul style="list-style-type: none"> • The Non-aligned countries were categorised as the Least Developed Countries (LDCs) – and the challenge they faced was to be more developed. Economic development was also vital for the independence of the new countries. Without sustained development, a country could not be truly free and then be dependent on richer countries. The idea of a New International Economic Order (NIEO) originated with this realization. • <u>Reforms of the global trading system proposed by UNCTAD in 1972.</u> <ol style="list-style-type: none"> (i) To give the LDC's control over their natural resources exploited by the developed Western countries. (ii) To obtain access to Western markets so that the LDCs could sell their products and therefore, make trade more beneficial for the poorer countries. (iii) To reduce the cost of technology from the Western countries, and (iv) To provide the LDCs with a greater role in international economic institutions. 	<p>6x1=6</p> <p>2+4=6</p>
<p>Q-24.</p> <p>Ans.</p> <p>Ans.</p>	<p>Explain globalisation. How has technology contributed in promoting globalisation?</p> <ul style="list-style-type: none"> • Globalisation is a multidimensional concept which involves flow of ideas, capital, commodities and people from one part of the world to another. • Globalisation has been caused not by any single factor but by invention of telegraph, telephone, microchip and fast modes of transport have accelerated it. Both communication and transport have facilitated the process of globalisation. The whole world has become like a village in which everybody knows about the happenings in the world and is also affected by the same. Communication has made it possible to receive and send information from one point to any other point of the world and vice-versa. Same is true for transport. <p>(Or any other relevant point)</p> <p style="text-align: center;">OR</p> <p>Explain the meaning of 'global commons'. (ii) Safe drinking water is not available to many areas and population. Billions have no access to sanitation, resulting in the death of more than three million children every years. (iii) Natural forest are being cut and people are being displaced. It has cost 	<p>2+4=6</p>

	<p>climate disturbances and loss of biodiversity.</p> <p>(iv) A steady decline in the ozone layer in the Earth's stratosphere is posing a real danger to eco systems and human health.</p> <p>(v) Coastal pollution is adding to the deterioration in the quality of marine environment.</p> <p style="text-align: right;">(Any four points)</p>	2+4=6
Q-25.	Examine any three factors responsible for the US hegemony in the world politics.	
Ans.	<p><u>Three factors responsible for the US hegemony in world Policies</u></p> <p>(i) <u>The U.S. Hegemony as a Hard Power</u></p> <ul style="list-style-type: none"> • The most important factor for the overwhelming superiority of US power is its superiority of its military power. • American military dominance is both absolute and relative. In absolute terms, the US has military capabilities that can reach any point on the planet accurately, lethally and in real time. While its own forces are sheltered to the maximum extent possible from the dangers of war. • No other power can remotely match US military might. It spends more on its military capability than the next 12 powers combined. • The military dominance of the US is not just based on higher military spending, but on the qualitative gap, that no other power can match. <p style="text-align: right;">(Any two points)</p> <p>(ii) <u>The US Hegemony as a structural power</u></p> <ul style="list-style-type: none"> • Hegemony in this second sense is in the role played by the US in providing global public goods – such as the sea lanes of communication (SLOCs) • The naval power of the hegemony is another reason for its structural power. • The internet is the direct outcome of a US military research project that began in 1950. • There is not a single sector of the world economy in which an American firm does not feature in the “top three” lists. <p style="text-align: right;">(Any two points)</p> <p>(iii) <u>The U.S Hegemony as a soft power</u></p> <p>The predominance of the US in the world today is based not only on its military power and economic powers, but also on its cultural presence.</p> <ul style="list-style-type: none"> • All ideas of good life and personal success, most of the dreams of individuals and societies across the globe, are dreams churned out by practices prevailing in 21st century America. • America is the most powerful culture on earth. The cool pair of blue jeans is an example of it. • The influence of Macdonalds and the KFC is also very visible. <p style="text-align: right;">(Any two points)</p> <p style="text-align: center;">OR</p> <p>Assess the positive and negative aspects of India's relations with Bangladesh.</p>	3x2=6
Ans.	<ul style="list-style-type: none"> • <u>Positive Aspects of India's relations with Bangladesh</u> <p>Relations between India and Bangladesh are based on the moral support given by India during the freedom struggle of Bangladesh. India had to bear the influx of</p>	

	<p>more than 80 lakh refugees. But the rapid change of governments and assassination of Mujib impacted the strong relations between the two. But still some positive aspects do exist:</p> <p>(i) Bangladesh is a part of 'Look East Policy'.</p> <p>(ii) On disaster management and environmental issues the two states have been cooperating regularly.</p> <p>(iii) A few differences have been resolved amicably.</p> <p>(iv) Both sides are trying to identify the common threats and areas of cooperation.</p> <p>(v) Any other relevant aspect.</p> <p style="text-align: right;">(Any three points)</p> <ul style="list-style-type: none"> • <u>Negative Aspects of India's relations with Bangladesh</u> (i) Illegal migration of Bangladesh in the states of India.
