## **BUSINESS OPERATION AND ADMINISTRATION (766)**

# Sample Question Paper Class XII - 2018-19

#### Time: 2 Hours

M.M.: 50

#### **General Instructions:**

- 1. Question paper is divided into two sections: Section-A and Section-B.
- 2. Section-A:
  - *i.* Multiple choice question/Fill in the blanks/Direct Questions of 1 mark each. Answer any 10 questions out of the given 12 questions.
  - *ii.* Very Short Answer of 2 marks each. Answer any 5 questions from the given 7 questions.
  - *iii.* Short Answer of 3 marks each. Answer any 5 questions from the given 7 questions.
- **3.** Section–B: Long/Essay type questions of 5 marks each. Answer any 3 questions from the given 5 questions.
- 4. All questions of a particular section must be attempted in the correct order.
- **5.** Please check that this question paper contains 33 questions out of which 25 questions are to be attempted.
- 6. The maximum time allowed is 3 hrs.

#### <u>SECTION –A</u>

#### <u>Mark the correct answer (1mark each).</u> Answer any 10 questions out of the given 12 questions:

- 1. The arrangement which directs the group efforts of employees towards the desired (1) goal of the business is termed as ......
  - a. Management
  - **b.** Administration
  - **c.** Co-ordination
  - d. Co-operation
- 2. The following is not an objective of management .....:
  - a. Earning profits
  - **b.** Growth of the organisation
  - c. Providing employement
  - **d.** Policy making
- **3.** Management should find 'One best way' to perform a task. Which technique of (1) scientific management is defined in this sentence....:
  - **a.** Time study
  - **b.** Motion study
  - **c.** Fatigue study
  - d. Method study

(1)

8. Define Democratic or Participative leadership.       (1)         9. Write any four types of leadership.       (1)         10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         Very Short Questions: (2 marks each).       (1)         Answer any 5 questions out of the given 7 questions:       (1)         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)		d From :http://cbseportal.com/	
a) True       b) False         5. When is the communication process complete?       (1)         a) When the sender transmits the message       b) When the message enter the channel       c) When the message leave the channel       c) When the message leave the channel       d) When the receiver understands the message.         6. The motivation theory, which classifies needs in hierarchical order, is developed by (1)       iii       a. Fred Luthans       b. Scott         c. Abraham Maslow       d. Peter Drucker       (1)       (1)         7. As a leader what is greatest strength? Define       (1)         8. Define Democratic or Participative leadership.       (1)         9. Write any four types of leadership.       (1)         10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives         17. Define th	4. (2)</li> </ul></li></ul>		b) When the message enter the channel	
6. The motivation theory, which classifies needs in hierarchical order, is developed by (1)       (1)         a. Fred Luthans       b. Scott         c. Abraham Maslow       (1)         d. Peter Drucker       (1)         7. As a leader what is greatest strength? Define       (1)         8. Define Democratic or Participative leadership.       (1)         9. Write any four types of leadership.       (1)         10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         Very Short Questions: (2 marks each).         Answer any 5 questions out of the given 7 questions:       (1)         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What		c) When the message leave the channel	
:       a. Fred Luthans         b. Scott       c. Abraham Maslow         d. Peter Drucker       (1)         8. Define Democratic or Participative leadership.       (1)         9. Write any four types of leadership.       (1)         9. Write any four types of leadership.       (1)         10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What do you understand by E-Business? State its benefits for the modern business       (2)		d) When the receiver understands the message.	
b. Scott       c. Abraham Maslow         d. Peter Drucker       (1)         7. As a leader what is greatest strength? Define       (1)         8. Define Democratic or Participative leadership.       (1)         9. Write any four types of leadership.       (1)         10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         Very Short Questions: (2 marks each).         Answer any 5 questions out of the given 7 questions:         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What do you understand by E-Business? State its benefits for the modern business       (2)	6.		(1)
c. Abraham Maslow         d. Peter Drucker         7. As a leader what is greatest strength? Define       (1)         8. Define Democratic or Participative leadership.       (1)         9. Write any four types of leadership.       (1)         10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         Very Short Questions: (2 marks each).         Answer any 5 questions out of the given 7 questions:       (1)         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What do you understand by E-Business? State its benefits for the modern business       (2)			
d. Peter Drucker         7. As a leader what is greatest strength? Define       (1)         8. Define Democratic or Participative leadership.       (1)         9. Write any four types of leadership.       (1)         10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What do you understand by E-Business? State its benefits for the modern business       (2)			
8. Define Democratic or Participative leadership.       (1)         9. Write any four types of leadership.       (1)         10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         Very Short Questions: (2 marks each).         Answer any 5 questions out of the given 7 questions:       (1)         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What do you understand by E-Business? State its benefits for the modern business       (2)			
9. Write any four types of leadership.       (1)         10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         Very Short Questions: (2 marks each).       (1)         Answer any 5 questions out of the given 7 questions:       (1)         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What do you understand by E-Business? State its benefits for the modern business       (2)	7.	As a leader what is greatest strength? Define	(1)
10. Differentiate between E-business and E-Commerce.       (1)         11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What do you understand by E-Business? State its benefits for the modern business       (2)	8.	Define Democratic or Participative leadership.	(1)
11. Write any two methods of payment under online transactions       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         12. Write two examples of products for which E-business is not suitable.       (1)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What do you understand by E-Business? State its benefits for the modern business       (2)			(1)
12. Write two examples of products for which E-business is not suitable.       (1)         Very Short Questions: (2 marks each).       Answer any 5 questions out of the given 7 questions:         13. Explain the scalar chain Principles of Management.       (2)         14. Give any two differences between functional structure and divisional structure.       (2)         15. Give any two differences between training and development.       (2)         16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives       (2)         17. Define the Maslow's need hierarchy theory and its assumptions       (2)         18. Distinguish between leaders and managers.       (2)         19. What do you understand by E-Business? State its benefits for the modern business       (2)			(1)
Very Short Questions: (2 marks each). Answer any 5 questions out of the given 7 questions:13. Explain the scalar chain Principles of Management.(7)14. Give any two differences between functional structure and divisional structure.(7)15. Give any two differences between training and development.(7)16. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives(7)17. Define the Maslow's need hierarchy theory and its assumptions(7)18. Distinguish between leaders and managers.(7)19. What do you understand by E-Business? State its benefits for the modern business(7)			(1)
Answer any 5 questions out of the given 7 questions:13. Explain the scalar chain Principles of Management.(114. Give any two differences between functional structure and divisional structure.(115. Give any two differences between training and development.(116. "Human beings cannot be motivated only through monetary incentives; non-monetary incentives are also necessary to motivate them." Explain any two such non-monetary incentives(117. Define the Maslow's need hierarchy theory and its assumptions(118. Distinguish between leaders and managers.(119.
